Subject: RE: Draft responses to Ute Tribe Principles for U&O FIP

Good morning – Just an update. Jeremy Patterson left me a voicemail late last week that he and the Ute Tribe BC and reps can meet on Thursday, December 1st and are available all day for our meeting. I left him a message this morning about a starting time and will revise the calendar invite when I hear back from him.

Mike K. – Do we know what the Janet meeting is on Wednesday? Do we need a separate prep meeting on Wednesday with those of us participating in the meeting with the Ute Tribe?

Monica – Here are my additional comments and suggested edits, made in the same document with Bruce's and Chris's edits. Mainly I am suggesting that we look at more direct responses in several places. I will be in tomorrow and then out until Monday if anyone has any questions about my recommendations. Thanks.

Subject: Draft responses to Ute Tribe Principles for U&O FIP

Hi Chris, Rick, Bruce and Mike – Region 8 has drafted some responses to the Ute Tribe's principals regarding our draft proposed U&O FIP that they noted during the calls with OMB and with OAR/OITA this week. We also added a couple of other topics we will want to cover when we meet with the Tribe. As of late yesterday, Callie had not heard back from Jeremy Patterson about a date to meet with him and the Business Committee/tribal reps. She asked that I call Jeremy today and inquire about a date. I left him a message, but have not heard back yet.

Not sure who all is in next week. I'm only in Monday and Carl is out all week. Can you all provide review/input/other topics by COB, Wednesday, November 23rd? We may have the week of November 28th to work on this, but we won't know until we hear from Jeremy.

Have a great weekend.
